

Hello Finney Family!

What a historic year this has been! I am so proud of all the hard work our students have put into Music this year and want to celebrate the learning we have done in VAPA. Mrs. Clemetson and Mrs. Pridmore are putting together a spring VAPA video and we need YOUR voices! Please follow the directions below to be included in the music for this year's video. If you have any questions, you can contact crystal.pridmore@cvesd.org

Thank you!

Mrs. Pridmore

Instructions for adding a track to EasyVirtualChoir.com:

1. **Important! You MUST use headphones when you record, or I cannot use your audio.** If you do not use headphones, I will have to mute your audio because it will not line up with the rest of ours.
2. Log into Easyvirtualchoir.com using a **personal gmail account, NOT your school email**. You need an adult to do this step with you.
3. Click the blue "Song Studio" button in the upper right
4. Click the blue "+ Add Track" button in the upper right of the song studio page
5. Click the green "Start Recording" button
6. Record yourself singing with the track
7. If you don't like it, you can click the red "Discard and try again" button
8. If you do like it, you can click the **green "add to song"** button in the lower left under the track.
THAT'S IT!

Instrucciones para agregar una pista a EasyVirtualChoir.com:

1. ¡Importante! DEBE usar auriculares cuando grabe o no podrá usar su audio. Si no usa auriculares, tendré que silenciar su audio porque no se alineará con el resto de los nuestros.
2. Inicie sesión en [Easyvirtualchoir.com](https://www.easyvirtualchoir.com) usando una cuenta de Gmail personal, NO el correo electrónico de su escuela. Necesitas que un adulto haga este paso contigo.
3. Haga clic en el botón azul "**Song Studio**" en la esquina superior derecha.
4. Haz clic en el botón azul "+ **Add Track**" en la parte superior derecha de la página de estudio de canciones.
5. Haga clic en el botón verde "**Start Recording**".
6. Grábate cantando con la pista.
7. Si no le gusta, puede hacer clic en el botón rojo "**Discard and try again**"
8. Si le gusta, puede hacer clic en el botón verde "**add to song**" en la parte inferior izquierda debajo de la pista.

¡ESO ES TODO!

¡MIRE ESTE VIDEO para ver a la Sra. Pridmore grabar una pista para una canción!

Songs for the Whole School

2. Don't Worry, Be Happy!

<https://easyvirtualchoir.com/song/59615>

Here's a little song I wrote

You might want to sing it note for note

Don't worry, be happy

In every life we have some trouble

But when we worry, we make it double

Don't worry, be happy

Doo... (x2)

Now that's the little song I wrote

I hope you learned it note for note

Don't worry, be happy

In every life we have some trouble

But when you worry you make it double

Don't worry, be happy

3. 3 Little Birds (Don't Worry 'Bout a Thing)

<https://easyvirtualchoir.com/song/40142>

Don't worry about a thing

Cuz every little thing is gonna be alright

Don't worry about a thing

Cuz every little thing is gonna be alright

Woke up this morning

Smiled at the rising sun

3 little birds sat on my doorstep

Singing sweet songs

Melodies pure and true

Singing this is my message to you-hoo-hoo

Don't worry about a thing

Cuz every little thing is gonna be alright

Don't worry about a thing

Cuz every little thing is gonna be alright

Cuz every little thing is gonna be alright
