

Dear Parent/Guardian:

Registration for the STRETCH Before and After School Program for the 2021-22 school year is here. Any family interested in STRETCH for 2021-2022 must fill out an application (even if you are currently enrolled in STRETCH or on the waiting list). Here are the important details, regarding the enrollment process:

June 1st – STRETCH applications will become available via link [2021-2022 STRETCH Program application](#)

June 1st-June 18th – STRETCH applications will be accepted for the enrollment process.

- Applications received before or after these dates will not be eligible for initial consideration.
- Applications must be submitted via link by a parent/guardian.
- Parents will receive a waiver form to complete the enrollment when the application is reviewed and your child is selected to the program.
- Submitting an application DOES NOT guarantee enrollment!

Starting June 21st- **July 2, 2021** All STRETCH applications will be reviewed by STRETCH staff and school personnel. Each STRETCH program has a maximum number of students that they are able to serve. Students will be enrolled based on the rating system detailed below, first come first serve basis, and up to the capacity for each school's program. If the program receives more applications than spaces available, first priority for participation will be given to applications with the most points. Once the STRETCH program has reached its capacity, students not accepted for participation will be placed on a wait list, in the same order of priority, and will be accepted as space becomes available.
